Board Meeting: Tuesday, February 20th Albany Sizzler 7pm

Announcements

- It's time to pay your dues. Those of you who do not pay them will not be receiving upcoming newsletters.
- A tour and leader are needed for the tour after the February club breakfast. This will be discussed at the general meeting.
- Caryl Young has volunteered to replace Connie Braaten as Sunshine Person, please get in contact with her if you know of someone in the club who needs a get well card.
- The club motor pool list is being updated, we are interested finding out who has the oldest and newest Model A. Please bring your car's serial numbers to the next meeting.
- The board approved the 2018 budget, those curious can see a copy at the February General Meeting.
- Bill White has volunteered to organize a club tool list. The tools will either belong to the club or be tools other members are willing to loan. If any member is willing to loan a tool please let it be known at the February meeting or contact Bill White.
- Are you interested in contributing to our club's newsletter? I am looking for a couple of volunteers who would like to help make the newsletter more exciting. Quite frankly I do not have the time to do research or compile information, but would like for the newsletter to be more enjoyable for everyone. All I'm looking for are a couple individuals to submit a paragraph or two (or up to 1 page) of content related to the "Model A" or other era content. I would need submissions monthly and can receive them via email or in person at the general meeting (If I am not there, they can be given to Ann or Byron Cook). I can be reached by email or phone, contact info below.

Minutes for the January 2018 General Meeting

- Meeting called to order at 7:02 PM.
- No guests were present.
- Previous minutes were read and approved.
- Treasurer Charissa reported everything is in order.
- Club dues are still being collected.
- Sunshine report: Caryl Young is stepping in as sunshine rep. Contact her via email found on the club roster.
- Caryl Young is also coordinating general meeting refreshments. She sent around a sign-up sheet for refreshment volunteers.
- 2017 budgeted donations have been delivered. The club received two thankyou's.

- Next board meeting includes developing the 2018 budget. Input would be appreciated before the board meeting.
- Free MAFCA memberships available to first time members.
- Discussion for programs and tours: Are they wanted? What would people like to see? Ideas and volunteers would be appreciated.
- Overnighter leader and destination still needed.
- Winterizing the Model A was requested as part of the Spring and Fall lube maintenance clinics. Dave Hinton volunteered his place for the clinics, he has a lift available.
- Next Month's program either swap meet debrief or hazards of electric cars.
- Next board meeting: January 16th, at Sizzler, all are welcome.
- Bill White volunteered to put together a list of specialty tools club members would be willing to share.
- Library inventory list available in the yellow folder. Be sure to sign items borrowed out and return them in a timely manner.
- Looking for the oldest and youngest Model A in the club.
- Any interesting Model A sites, please let Rolie Young know for Facebook.
- Raffle won by Vicki Dones and Frank Fixel.
- Refreshments provided by Caryl and Rolie Young.

President's Message

President's Message (or Slivers from the Board)

Our club constitution talks about "family participation" in the section on Purpose. This was kind of a new concept for car clubs stressed from the very beginning. It has been 40 years since we became a chapter but family participation continues. It was best illustrated when the signup lists for programs, tours and refreshments were passed around at the January meeting. There were a few volunteers for programs and tours but the refreshment list was almost full! It was later disclosed several of those spots were filled by husbands volunteering their wives to provide the refreshments. That is team work.

when the club started but it was beginning. It was later disclosed several of those spots were filled by husbands volunteering their wives to provide the refreshments. That is team work.

In that spirit, I invite and encourage club wives to attend more meetings and reciprocate by volunteering their husbands to provide a program or a tour or help with some other event our members have so long enjoyed. That would really be team work.

The Board members also have some things in the works for this year so it should be another fun year.

Martin
