### President's Message

Last month I wrote "September will not be slowing down". I was referring to all the activities available to our members & I was right. Paul Hurst led a large group of members to a base camp in Burns for the annual overnight tour. He had more than a few hurdles to get over to make this trip happen but he succeeded in all respects. The planning & execution of the entire trip was excellent. Daily itineraries and with his knowledge of the area along with good food, good lodging, very interesting scenery & stopping points all added up to a wonderful time. Thanks Paul! The next weekend Don Studier led our Model A's on a drive in to the

Heritage Mall for an Day car show. Six A's with some era model, books & as well as our own members manned the questions. Gary Special Coupe cleaned challenging drive to Mountains during the a great job of exposing with this idea & he

International Model A were displayed along fashions, a Hubley brochures on MAFCA chapter. Club display to answer Linkel had his 1929 up & shining after a the top of the Steens overnigher. Don did our club to the public also deserves a big

thanks. More is still ahead that will not want to miss. **The October meeting is still at the Albany Library & starts at 7:00 p.m.** Ben Morris & co-chair Don Studier will be discussing the upcoming swap meet so it is important for you to hear what they say. The swap meet helps pay for the all year fun so please attend the meeting if you can. I hope to see everyone at the meeting & at the functions coming up.

Martin
